

MEMBERS GATHERING

Saturday 22nd June 2019

Location: Smallwater Estate

Time: From 9.30am

The Marron Growers Association of WA invites all members to join us at Smallwater Estate to discuss up-coming changes to our constitution and other matters.

Morning tea will be available prior to kicking off the day. Upon conclusion of discussions you are invited to join us for lunch, a drink and a chat with fellow members.

Smallwater Estate is owned by long-time member and grower John Small who in recent times has spent much of his energy developing his vineyard and boutique wine label. Most recently John has invested in an onsite café /restaurant which will be our venue for the day.

Please note this is a members only event. There will be no charge for lunch. Smallwater Estate is a licenced venue, wine and beer will be available for sale.
